TO THE  
KITCHEN.

**NEW INNOVATIVE FLAVORS THAT CUSTOMERS CRAVE**

Consumers love bold, so we made them two exciting flavors perfect for their pallets. And with the versatility of sausage, there are almost too many ways to impress your guests with exciting and innovative creations.

Family owned since 1945 • Proudly made in the USA

# EXCITING NEW DISHES NEED EXCITING NEW FLAVORS

The applications are endless with our two new flavors. And with Johnsonville, making an enticing menu is simple with our easy to prep sausages. From a spicy omelet to a cheesy pizza, make whatever makes your menu great.

## HOT HONEY SAUSAGE

Made with the right balance of sweet honey and spicy cayenne pepper, this sausage is savory and bold.

A highly popular flavor with a projected menu growth of 76%.

63% national consumer purchase intent, with a strong chance of repeat customers.

Johnsonville Proprietary Flavor Sort, November 2023

## PHILLY CHEESE SAUSAGE

A classic for a reason, this sausage comes full of red and green bell peppers, onions, and creamy provolone cheese.

Perfect for the consumer looking for a classic flavor they already love.

An impressive 78% purchase intent suggests this sausage will boost your sales.

Johnsonville Proprietary Flavor Sort, November 2023
